I have watched the whole Rittenhouse case. The Jury is in deliberation now. I didn't know that Kyle put out a dumpster fire that was being rolled down to a gas station to blow up, with people all around. I didn't know that the Police were told to stand down as businesses were destroyed. I didn't know that Kyles Dad, Grandma and Friends all lived in Kenosha, 20 minutes from where he resided with his Mom part time in Illinois. I didn't know that Joseph Rosenbaum knocked him down twice and then attempted to kick him with lethal force to the head. I didn't know that Huber had hit him in the head 2x with a skateboard. I didn't know Gaige Grosskreutz, a felon in possession of firearm, aimed his gun at Kyle first, as he admitted on the stand. I also didn't know that in the State of Wisconsin, it is legal for Kyle to have a gun, even at 17 (which was why the gun charge was dismissed). I didn't know that Kyle did not cross state lines with a gun he wasn't supposed to have. The rightful gun owner did, as he was legally permitted to do.

I also didn't realize that Rosenbaum was a 5 time convicted child rapist and that Huber was a 2 time convicted woman beater. I didn't know that Grosskreutz was a convicted Burglar with an assault on his record also.

Rittenhouse facts:

He came to Kenosha because his father, grandmother, and other relatives live there.

He did not cross a state line with a gun.

As a 17-year old he was in legal possession of the gun.

He used deadly force only against those who were attacking him.
